

**We are living in such an exciting time in mission history
– accentuated by these COVID-19 days.**

**This just might be the generation in which the final chapter is written,
and you can have a part to play in it!**

The Unfinished Story . . .

is a course that inspires and challenges every believer to be meaningfully involved in the world Christian movement. It gives an exciting overview of the:

biblical
historical
strategic
cultural

aspects of God's mission and our part in it.
